Thanks, Dreas

I do have pre-existing login credentials. However, the System seemed to have a problem with some aspect of my login information. I'll review, try again and update you.

Thanks again!

Login procedures to access shared documents for the San Jacinto River Waste Pit RI/FS are described in the attached e-mail. The three portals that you have access to (which differ from the illustration in the attachment) are:

- SJRWP Site - EPA TCEQ Trustees
- SJRWP Site - Final Documents
- SJRWP Site - Working Documents

Charles, you have pre-existing login credentials. If you have changed your password from the initial default (which is described in the attachment) but have lost track of it, please let me know and I will reset it for you.
